

WARRANTY INFORMATION
90 DAY SERVICE, TWELVE (12) MONTH
LIMITED WARRANTY

COVERAGE

TEXAS TRUCK A/C, INC. warrants all major Red Dot parts and new compressors will be free from defects in material for 12 months from the date of installation or purchase, to the original owner only (purchaser).

TEXAS TRUCK A/C, INC. warrants all service for 90 days on heavy trucks and heavy equipment from date of installation.

Due to the varying operating conditions and large glass areas, the system is not guaranteed to maintain a specified temperature or specified climate condition in the interior of the purchaser's vehicle. No representations or warranty is made by Texas Truck A/C, Inc. regarding the effect of the system on engine operating temperatures, engine power, fuel mileage, or any other operating characteristic of the purchaser's vehicle.

TEXAS TRUCK A/C, INC. sole obligation under this limited warranty shall be to repair or replace any defective covered part or parts. The purchaser must report the defect in workmanship within 90 days of installation and must report the defect in material within 12 months from the date of installation to be eligible for warranty coverage.

CONDITIONS

1. This limited warranty shall be effective only if:
 - A. The air conditioner has been operator and maintained properly.
 - B. The warranty repairs are performed by Texas Truck A/C, Inc.

2. IF Texas Truck A/C, Inc. authorizes warranty repairs to be performed by another service company, the purchaser must return the defective parts to Texas Truck A/C, Inc. within 30 days after replacement and include the following information:
 - A. Purchaser's name
 - B. Part name and number
 - C. Basic kit number and adapter kit number (found on invoice)
 - D. Date installed and removed
 - E. Mileage at installation and removal
 - F. Proof of purchase or repairs

CLAIMS PROCEDURE

If you (the purchaser) have a warranty claim, you should immediately bring your vehicle in to the shop (Texas Truck A/C, Inc.). If you are out of state please call Texas Truck A/C, Inc. at (972) 289-9696 between 8:00 am and 5:00 pm.

To receive warranty service, you must provide proof of purchase. TEXAS TRUCK A/C, INC. will not render warranty service unless proof of purchase is presented at the time service is requested.

The repair or replacement of the defective parts under warranty will be made by Texas Truck A/C, Inc. without charge for covered parts. You may be required to pay for labor or items not covered under this limited warranty.

EXCLUSIONS

1. This limited warranty does not cover improper maintenance or improper modification of the unit or of any of its components.
2. This limited warranty does not cover any part which has been subject to misuse, neglect, alteration or which has been repaired other than by Texas Truck A/C, Inc.
3. This limited warranty shall not apply to malfunctions or failures in material caused by operating the vehicle in an extreme environment which includes, but is not limited to, highly corrosive atmosphere, extreme vibration, or presence of chaff or foreign/airborne objects.
4. This limited warranty does not cover normal maintenance services or the replacement items made in connection with such services. Normal wear of service items are not considered defects under this limited warranty.
5. This limited warranty does not apply to any system that has been contaminated through the use of a different refrigerant than the system was designed for.
6. This limited warranty does not cover any part failure due to high head pressures from dirty or clogged condenser.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE.
