

## **Press Release**

After over twenty-one years in business at their original location in Balch Springs, Texas, at 1705 Peachtree Road, Texas Truck A/C has broken ground on its' new location in South Dallas. The property will be addressed 4701 Cleveland Road, and sits in the center of the International Inland Port of Dallas (IIPOD), where transportation is keen.

This will be the company's largest expansion to date, as it will more than double the previous facility in size, with enhancements coming in retail sales, shop, and parking spaces. CEO Nick Rosato said, "I'm excited about the possibilities that this new location will bring us. It's where we've always wanted to be, and offers us a limitless growth opportunity with its' proximity to major transportation routes".
